

# ILUNAFRIQ

## Multichain NFT Aggregation Platform

Cross-Chain NFT Solution

### About ILUNAFRIQ

Ilunafriq bridges the worlds of creators, art enthusiasts, and investors.

Our mission is to enrich the lives of creators, providing an online destination for artists and collectors to display their entire portfolio of NFTs, regardless of blockchain.

For art lovers, Ilunafriq offers a unique window into the world of digital art, bringing together every marketplace from around the Internet into one virtual gallery. Ilunafriq simplifies the process of finding new and emerging digital art and artists, while supporting creators in monetizing their passion.

**Ilunafriq was built by artists for artists.**

# Testimonials & Reviews

**Zoya Yaseka**

Creator and Consultant  
Los Angeles

"I love that Ilunafriq has created a solution to remove the friction in consuming our favorite artists across multiple platforms. It makes so much sense for both creator and consumer and makes the process that much more pleasant and exciting to participate in."

**Professor Feathers**

Crypto Scientist  
Seattle

"Digital asset aggregation at its finest. The perfect way to share and promote content from multiple wallets all in one place."

**Precious Adoo**

Creator  
Ghana

"So refreshing to encounter a crosschain NFT marketing platform, and one that has the benefit of artists at heart. I can get interest and sales on my creations before they're even finished."
